

Ohio Revised Code

Section 1713.21 Termination of right of representation.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

If a conference or other religious body patronizing a university or college and having a representation in its board of trustees, ceases to exist, or ceases to patronize such university or college, the right of such conference or other religious body to such representation shall cease, and the board shall apportion or distribute the number of trustees in such class to the remaining patronizing conferences or other religious bodies in order to maintain, as nearly as possible, the established number of trustees, and equality of representation from each patronizing body.

Before a conference or other religious body represented in the board of such university or college shall cease to be represented, the board shall declare and enter in the record of its proceedings that the conditions terminating such representation have taken place.
